

STAY SHARP TERUMO

with a brand you trust.

SHARPNESS AND DOUBLE-BEVEL DESIGN

Provide greater comfort for your patients with a needle known worldwide for its sharpness and double-bevel design. This attention to detail enables Terumo needles to penetrate skin with less force.

SHARPEST NEEDLES AMONG MAJOR BRANDS TESTED:

16% sharper*
than similar
Monoject™ needles
(22G – 27G)

10% sharper*
than similar
needles from BD
(22G – 30G)

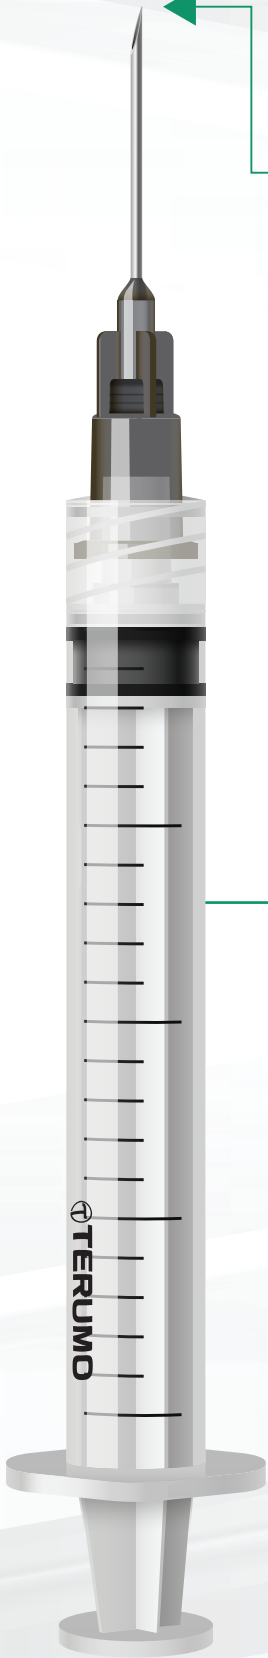

Proven sharper*
in **85%** of
comparisons

*Independent laboratory testing
