

INDICATIONS: Kills gram-negative and gram-positive bacteria, fungi, viruses, protozoa, and yeasts. Film-forming, virtually non-irritating and non-staining to skin, hair and natural fabrics.

DIRECTIONS: Apply full-strength as often as needed. Wet area thoroughly to insure complete coverage and penetration but avoid "pooling". May be covered with bandage if necessary.

CAUTION: Avoid contact with eyes. May be harmful if swallowed. If redness, swelling or irritation occurs discontinue use and consult a veterinarian. Do not use on animals that are allergic or sensitive to iodine. In case of deep or puncture wounds or serious burns, consult a veterinarian.
