| 6. | Accidental Release Measures: | Personnel Precautions: Keep unnecessary personnel away. Environmental Precautions: If safe to do so, prevent further leakage or spillage. Avoid discharge into drains, water courses, or on the ground. Methods for containment: If safe to do so, stop source of leak. Methods for Cleaning Up: For small spillage: Absorb with sand or other non-combustible absorbent material and place in labeled containers for later disposal. Large spillage: Dam and absorb spillage with sand, sawdust, or other absorbent material. Following product recovery and placement in labeled disposal containers, flush area with water and clean thoroughly. | | |
